Amsco® Eagle® 3000 Stage 3™, Amsco® Century® and Amsco® Evolution™ Steam Sterilizers

Introduction
This instructor led training at our Mentor, Ohio service training facility will provide your Equipment Technicians with the knowledge they need to operate and perform basic maintenance on the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers.

Course Goal
This course provides the student with an in depth understanding of how to operate the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers and perform basic troubleshooting and adjustments. The student will learn the theory of operation and functional descriptions for major components and how to access the STERIS® website for technical information, technical assistance or place a service request.

Course Outcomes
At the end of this course, the student will be able to:
• verify proper installation of the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers.
• operate the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers.
• locate the preventive maintenance schedule and learn how to use it to perform basic preventive maintenance on the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers.
• perform basic troubleshooting and adjustments.
• put the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers into a safe state.
• clean the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers.
• access the STERIS service websites for assistance.

Duration
Three days

Training Location
STERIS Service Training Center – Mentor, Ohio

Why train at this location
Your staff can attend focused in depth training at our facility, providing them the opportunity to operate the Amsco® Eagle 3000 Stage 3, Century and Evolution steam sterilizers and perform preventive maintenance procedures without the worries of interrupting your facility's operation. They can gain new skills, boost their confidence, and improve their productivity.
